

# Clark County 4-H Camp Restricted Release (Optional)

If you need to restrict who picks up your child, you must do so in writing and bring this form to registration. We understand that there are situations where parents have a need to restrict who will pick up their child at the end of a program. This form is not necessary for most campers. Your son or daughter will not be released to anyone other than you unless you complete and submit this form.

Note: Campers with restricted release situations will meet person(s) picking them up.
