Donation Opportunities

Tack Sale

- Each year, the Horse Committee holds a Tack Sale at the Clark County Fairgrounds as a major fundraiser. The income from this fundraiser is used towards awards and general operating expenses for Clark County 4H.
- We also host a silent auction at this event in which we raise donations by auctioning donated baskets.
- We would love to accept a silent auction basket or monetary donation towards this event!

Groom & Clean Contest

- At the Clark County Fair, horse youth are encouraged to participate in the Groom & Clean contest. This is a contest in which participants will intentionally "muddy" their team's horse and once dry, follow safety guidelines to properly clean their horse. After their horse is clean, each member of each team will perform a showmanship pattern as part of their score. There is also a written test involved and winners are invited to the state competition.
- At the conclusion of this event, we provide horse buckets with general horse care items and other goodies for the participants and winners.
- We would love to accept donations towards the buckets, either monetary or tangible!

MAC Barrels

- Our MAC Barrels event is a free event in which youth participate in a 4-part barrel racing series over 4 separate days to showcase their speed, control, and safety abilities during the Clark County Fair.
- Participants receive horse buckets filled with general horse care items and other goodies for the horse and rider. All participants are included in the awards and receive a competition t-shirt as well.
- We are looking for buckle sponsors along with tangible items to fill the buckets, or monetary donations to purchase these items.

General Awards

- With shows nearly every day of the Clark County Fair, plus a Mini-Circuit Show in July prior to the fair, we place each class 1-8th and provide winners with ribbons, medals, buckles, trophies, and other awards.
- Any monetary donations towards awards are greatly appreciated!

Outstanding Horse Youth (OHY)

- Outstanding Horse Youth is a contest for 4-H members to be recognized for their achievements in the horse project, which includes an application, an interview, a written test, and a showmanship class.
- We are looking for two (2) buckle sponsors, one for our junior division and one for our senior division.

Donation Distribution

We will allocate your donations to the committee of your choice!

Tack Sale Item(s) Donated — **Amt to Donate $**_____

Groom & Clean Item(s) Donated — **Amt to Donate $**_____
