July 11, 2020

Dear J. J. Smith:

This is my sixth year in 4-H. I belong to the 4-H Busy Clovers. This has been an unusual year for everyone with the COVID-19 pandemic. 4-H meetings have been held virtually until recently, but I have been spent lots of time with my market hog “Butch”.

I have been feeding, watering, walking and grooming Butch, my Hampshire market hog, for show and sell at the Clark County Fair. Other members in my club are showing sheep, dairy feeders, and turkeys.

This year’s auction will be a little different this year too under the pandemic. The 2020 Clark County Jr. Fair Auction will be held on a virtual platform. I am planning to sell my market hog in the Virtual Clark County Jr. Fair Auction.

I would like to invite you to participate in this year’s Virtual Auction. The first thing you will need to do is to register as a buyer in the virtual platform. You can find the link to register at http://clarkcoag.com. After you register, there are two ways you can support 4-H and FFA members like myself. You can be the highest bidder on an exhibitor’s project(s) or you can make add-on contributions.

I will be uploading a photo of myself and butch to the Virtual Auction Platform. You will be able to find my virtual sale entry and others through the search feature. You will be able to search by 4-H/FFA member’s name, 4-H Club/FFA Chapter Name, and animal type (all hogs for example). If you are interested in purchasing my market hog for your home freezer, you will need to contact me prior to July 25.

Complete details on when the Virtual Auction begins and ends will be available at http://clarkcoag.com where you register as a buyer for this year. Come enjoy a day at the Jr Fair – July 25-29, see all the 4-H animals and exhibitors. If you can’t come to the Fair, you will have an opportunity to see the shows live streamed on the web.

If you have any questions, contact the Jr. Fair Sales at jrfairsales@gmail.com or call the Sales Manager at 937-450-1194.

Sincerely,

Adam Clover
