Horse Exhibitor Rules and Guidelines:

1. Exhibitor Rules and Guidelines: All 4-H and FFA horse exhibitors are required to abide by the Junior Fair Rules and Regulations, Junior Fair Livestock Special Rules, Inspection & Health Requirements of Livestock Exhibited in Ohio and the Ohio 4-H Horse Rule Book. Please carefully read all rules and guidelines found within these sources. Ignorance of rules is no excuse for violation. All rules and regulations can be

found within these sources and/or the Clark County Fair or OSU Extension web sites. Failure to adhere may result in exclusion from exhibiting horse projects at the Clark County Fair in future years.

2. **Current 4-H and FFA Members:**

- A. Only currently enrolled Clark County 4-H and FFA members may exhibit and show horses at the Clark County Junior Fair. All 4-H and FFA horse project members must work an assigned shift at one of the current year's Clark County Mini Circuit Shows to be in good standing.
- B. 4-H members must be enrolled in a club with a horse project by **April 15th** of the current year and have participated in at least six (6) club meetings, of which two must be mounted (riding) meetings at the Fairgrounds, during the current 4-H year to exhibit and show at the Clark County Fair.
- C. **FFA members must have a valid Junior Fair Entry filed on-line using Fair Entry at <http://clarkohjrfair.fairentry.com> by May 15th of the current year.**

3. **Horse Project Animal Requirements:**

- A. Project horses must be in the continual care of the exhibitor by May 1st. Continual care does permit boarding an animal, provided the member is involved in caring for the horse.
 - B. Project horses, donkey and mules must be a gelding or mare/jenny/hinny. Stallions/jacks may only show as production projects through their first calendar year.
 - C. Project horses/donkeys/mules must be owned or leased by the exhibitor or a member of the exhibitor's immediate family by May 1st. If the horse/donkey/mule is leased, a Lease Agreement must be on file with the OSU Extension Office by May 1st of the current year. All horse/donkey/mule projects (owned or leased) must be identified on the Clark County 4-H/FFA Equine Project Identification Form and on file by May 1st of the current year with the Ext. Office.
 - D. Exhibitors may not switch project horses/donkeys/mules between exhibitors except in hardship cases approved by the Horse Committee's Resolution Sub-Committee. Hardship cases will be easily identifiable by judge and steward. These exhibitors will wear a different numbered series back number and be listed on a daily scratch sheet turned in before the beginning of each judging day at the Fair by an advisor or appointed parent/volunteer.
 - E. Project horses must be within Body Mass Index scoring requirements to show and be on exhibition.
4. **Skill-a-thon/Project Judging:** 4-H horse/donkey/mule exhibitors must bring up-to-date project book(s), record book(s), and feed tag(s) for all projects to skill-a-thon/project judging. All 4-H horse/donkey/mule exhibitors must go through horse skill-a-thon/project judging to be eligible to show horses/donkeys/mules at any of the Clark County Junior Fair Horse Shows including the Fun Show.
5. **Outstanding Project Book:** 4-H and FFA members wishing to enter the Outstanding Horse Project Book Contest must submit their project book(s) for judging when they participate in the Skill-a-thon/Project Judging. Project books will be judged and available for pick-up in the horse show office during Fair week. Divisions for horse project books are determined after horse enrollment for the current year.
6. **Show Entries:**
- A. **All exhibitors must make entry on-line at <http://clarkohjrfair.fairentry.com> using Fairy Entry by July 1st.**
 - B. **Exhibitors that wish to show in Hunter over Fences, Mac Barrels and/or Gymkhana classes must pre-qualify in one of the following ways: completion of qualification at a Mini Circuit Show or Prequalifying Clinic.** When a horse/rider combo has pre-qualified for an event, that horse/rider combo is pre-qualified indefinitely.
 - **Hunter Over Fences** – Must score a 65 or higher at a Mini Circuit Show or Qualifier.
 - **Gymkhana/MacBarrels** – Complete Pattern in **40 seconds** over PAS qualifying time and exhibit control always. They must ride their 4-H Gymkhana horse and must ride in Gymkhana on Grade Night. Those entering MacBarrels will need an advisor to sign off that the member and horse combination are qualified to compete in this contest prior to showing at the Fair.
 - C. The horse show committee reserves the rights to delete, combine, or divide any class based on total entries.
7. **Versatility:** Exhibitors must have completed 2 years of 4-H horse project work to compete and require an advisor to sign off that the member is competent to show in all four classes of the versatility competition (Western Horsemanship, English Equitation, Gymkhana (Barrels or Poles), and an Individual class (Reining or Trail). Exhibitors must compete in all four classes with the same horse to be eligible for final placing. Rider, horse, and crew members may not leave the arena once they have entered for competition. Any eligible exhibitor must place in a showmanship and/or horsemanship/equitation class at the current Clark County Jr. Fair to be eligible to show in Versatility.
8. **Stall Requirements:**
- A. Each exhibitor is required to stable at least (1) project horse/donkey/mule at the Fair the entire week.
 - B. **The club's Equine Stall/Pen Request Form is due July 1st with payment of a \$10 stall fee per animal.** The Stall Committee will use this form to assign stalls for clubs/chapters at the Fair.
 - C. Only one project horse/donkey/mule stalled per exhibitor during the week of the Fair unless space is available to allow multiple stalled projects for all requests. If there are inadequate stalls for multiple equine projects to stall at the Fair for an exhibitor, one project horse/donkey/mule may replace another owned by that exhibitor.
 - D. The Stall Committee reserves the right to divide the remaining stalls among clubs with 2nd equine projects and/or to split among all clubs as muck/tack stalls.
 - E. A **4-H Club or FFA Chapter** must consist of a minimum of 5 enrolled equine project members from three different families. 4-H Clubs or FFA Chapters **with less than 5 equine project members** will be stalled together in a county grouping.

9. **Late Arrival & Early Dismissal:** A written request to the 4-H & FFA Horse Committee for late arrival and/or early release must be made by July 1st. The Horse Resolution Committee in consultation with Senior Fair Board will review and act upon any request.
10. **Health Requirements:** No health papers or coggins test! Horses, donkeys, or mules exhibited must not be under quarantine and must show no symptoms or evidence of an infectious or contagious disease. If the animal becomes sick, the animal will be sent home upon the direction of the Fair or the owner's designated vet with notification to the Fair vet.
11. **Safety Requirements:**
- A. **Helmet** - All youth 19 and under, participating in any 4-H equestrian activity, are required to wear properly fitted protective headgear which meets or exceeds current ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards with the chin harness securely fastened at all times while riding or driving an equine. It is the responsibility of the rider, or the parent or guardian of the youth participant, to make sure that the headgear worn complies with appropriate safety standards for protective headgear intended for equestrian use and is properly fitted and in good condition. The Ohio 4-H Horse Program, show committees, officials, Extension personnel and volunteer leaders are not responsible for checking headgear worn for such compliance. The Ohio 4-H Horse Program, show committees, officials, Extension personnel, and volunteer leaders make no representation or warranty, expressed or implied, about any protective headgear, and cautions riders that death or serious injury may result despite wearing such headgear, as no helmet can protect against all foreseeable injuries in equestrian activities. The Ohio 4-H Horse Program, show committees, officials, Extension personnel and volunteer leaders may, at his/her discretion, check a participant's protective headgear for proper standards. If the youth wears unapproved, defective, or improperly fitted headgear, he/she will not participate in riding or driving activities until proper headgear is available. **Helmet requirement applies to all FFA exhibitors too!**
- B. **Completion of Equistep Program, Release of Liability** -
- All 4-H/FFA exhibitors and their parents/legal guardians must participate in the Equistep Program by May 1st.
 - All 4-H/FFA exhibitors and their parents/legal guardians must read and sign the "Permission to Participate in 4-H/FFA Horse Activities Disclosure and Release of Claims Form" with on-line enrollment by April 15th.
- C. **Dismissal of Riders and Horses for Safety Reasons** – 4-H advisors and FFA instructors have the right and the obligation to prohibit an exhibitor from showing in a class that may be unsafe for the rider and/or the horse. The judge has the right to dismiss an unsafe horse and/or rider from the show ring.
12. **Training & Handling:**
- A. Project animals cannot be trained by professionals between June 1st and Clark County Fair. Professional advice and instruction of the member is encouraged. Such assistance can include occasional riding or handling of the horse by the instructor, if the 4-H/FFA member is present, prior to the fair, but cannot include regular paid training after June 1st. Exception: Basic Training projects. Members may seek occasional advice, but the horse must be solely trained by the 4-H/FFA exhibitor. All animals carried as 4-H/FF projects, either owned or leased, must be in the continual care of the 4-H/FFA member by May 1st. Continual care does permit boarding an animal, provided the member is involved in caring for the horse.
- B. Lunging by the member's parent or Advisor for safety reasons permitted if the member is present.
- C. No riding of Miniature Horses during any Clark County Jr. Fair Horse event.
13. **Riding Level Requirement:**
- A. Exhibitors must enter classes based on their age as of January 1st of the current year.
- B. Walk-trot exhibitors cannot show 3-gaited at any time during the Fair and 3-gaited riders may not show in any Walk-Trot Classes. Walk-Trot Rider/Horse combination shall be limited to two (2) years, if the Rider/Horse combination exceeds the two (2) year limit they will not be eligible for Championships. Exception: Exceptions: Mules and Donkeys. Dressage riders may exhibit a separate dressage project at the Introductory (Walk-Trot) Level, based on the horse's level of training, and still exhibit in 3-gaited classes with a separate 3-gaited project horse. In fairness to all riders, advanced members who defer back to Walk-Trot with a new horse/rider combination will not be eligible for Championships. Such cases will be identifiable by judge and steward as the back number will be a 4-digit number and listed on the daily scratch sheet that is turned in before the beginning of each judging day at Fair by an Advisor or appointed parent/volunteer.
14. **Authorized Riders and Showmanship:**
- A. Exhibitors must show their own animal(s) in all classes in the ring.
- B. All Showmanship, Horsemanship and/or Equitation classes judged according to the exhibitor's age as of January 1st of the current year. Showmanship participation is not required.
- C. Only the exhibitor to whom a project horse belongs may ride the horse on Judging Days (Sat.-Tues.). The member's parent or advisor may lunge a horse for safety reasons if the member is present.
- D. During Fair Week, Tuesday (after the last Judging Class) through Friday, only a member's immediate family, horse club advisor, 4-H horse alumni, or a fellow horse project member in good standing may ride project horses. The fellow horse project member must have permission from the owner, approval of both member's parents, and approval of the Advisor if the rider is not an immediate family member. No one else – (i.e., cousins, uncles, aunts, friends) may ride the project at any time during the Fair.

- E. Senior Division Showmanship for Showman of Showmen – The 4-H/FFA member must be 15 years of age or older as of January 1st of the current year.** Horses shown in this class must be a project horse of the exhibitor. Previous Showman of Showmen horse representative exhibitors are ineligible to compete in this class. If the winner declines, the representative for Horse Showman of Showmen goes to the 2nd place and continues through 5th place in this class only until a representative emerges. **Showmen of Showman Competition held on Thursday, July 28, 2 PM in the Expo Center.**
15. **Patterns:** Patterns completed in English Equitation and Western Horsemanship for all classes, including Walk-Trot. If a problem with time constraints exist, the rail work will be eliminated, not the pattern. The Fair judges must receive instruction on this rule and cannot alter from it.
16. **Gymkhana Events:**
- A. **Flag Race** – Failure to pick up flag or stick the flag is a “No Time”: failure to make it past the 2nd barrel with the flag is a “No Time”. Pattern must run on outside of barrels and no circling of barrels.
 - B. **Big M** – Left or right hand may be used. Props are three (3) large barrels.
 - C. **Down-N-Back** – Run down and around the outside of the barrel and run home. Pattern can run in either direction. Five-second penalty for knocking over barrel. Breaking the pattern will result in a “No Time”.
 - D. Gymkhana championship will be scored according to Versatility rules in the current Ohio 4-H Uniform Horse Rule Book. Exhibitor **MUST** participate in all four events to be eligible for Gymkhana Championship either division. Pole bending class will be used as the tie breaker.

 - B. A “B” grade awarded to those who deliver an average performance.
 - C. An “A” grade awarded to above average performance.
 - D. Exhibitors must earn at least a B grade to receive Grand or Reserve Championship or 1st & 2nd place.
18. **Top Quality:**
- A. A “Top Quality” awarded to superior/outstanding performances.
 - B. Top Qualities awarded only to those exhibitors who meet the eligibility requirements.
 - C. Ineligibility for Top Quality exists when:
 - The exhibitor’s advisor determines that he/she had not met their club’s and Advisor’s requirements, or
 - The exhibitor is NOT showing his/her original project horse (is presenting a “hardship case” horse).
 - Such cases will be easily identifiable by the judge and steward with a different series of back numbers from other riders and ineligible riders will be listed on a daily scratch sheet that is turned in before the beginning of each judging day at Fair by an advisor or appointed parent/volunteer.
19. **Stall Cleaning, Tear Down of Barn Decorations & Project Horse Release:**
- A. In accordance with the standards so determined by the Fair Board/OEAA, 4-H & FFA members not completing the stall cleaning process by noon on Saturday following the conclusion of the Fair will receive a \$25.00 cleaning fee per stall. The bill will be sent for payment to the member’s 4-H or FFA chapter.
 - B. Do not tear down any barn decorations until 1 PM the last Friday of Fair.

 - B. The rider may enter and participate in only the Therapeutic Showmanship and Therapeutic Riding Classes during the Fair.
21. **Authority:**
- A. All members will respect the authority of any 4-H/FFA Advisor.

 - C. The judge has the right to dismiss an unsafe horse and/or rider from the show ring.
