Certificate of Vaccination Required:

All 4-H project dogs must show proof of a current county dog license to participate in 4-H events. Each 4-H project dog must have proof of current vaccinations given by a licensed veterinarian for rabies, distemper, hepatitis (CAV2), leptospirosis, parainfluenza and parvovirus. If a veterinarian has determined that a dog cannot receive a vaccination, the exhibitor must have a written statement from the veterinarian documenting the reasons. Any proof of current vaccinations from the veterinarian is acceptable. Titer tests are also acceptable. The rabies vaccine is not optional for any reason! To show at the county level, any proof of current vaccinations from the veterinarian is acceptable as long as vaccinations are showing current through August 4, 2024.

To be eligible to show at the State Fair, a properly completed and signed State Fair Certificate of Vaccination for the 4-H Dog Show Project must be presented at dog skill-a-thon, showing vaccinations that are continuously current through August 4, 2024.
