Best Practices for Clark Co. 4-H Club/Committee Fundraising

When Should Your Club/Committee Raise Funds?

- To conduct educational programs and activities
- To support successful participation and recognition of all members

Spend Funds Raised on the Purpose(s) They Were Raised For

- Money raised should be spent for what it was intended for. If you advertise the funds raised will be used for members to participate in 4-H Camp, then the funds raised need to be used to send members to 4-H Camp not to purchase Fair passes.
- Expenditures of the funds should be outlined in a budget and/or approved by the club members and documented in the club's minutes.

Don't Conduct a Fundraiser Unless You Are Doing So to Meet One or More of These Acceptable Ways to Spend Club/Committee Funds...

- Attend educational tour or workshop - open to all members.
- Paying for club member camperships (available to all members eligible to go to camp, money must be sent to the entity collecting camp fees not given to the member directly).
- Conduct fundraiser or service activity where proceeds benefit a non-profit organization (giving check to the organization, buying gifts/food to deliver to a sponsored family, etc.).
- Paying for a guest speaker, presenter, or judge.
- Paying for an end of year recognition banquet, pizza party, etc. for all members.
- Purchasing club t-shirts for all members.
- Purchasing 4-H project books for all members.
- Sponsoring awards for Jr. Fair or a 4-H show or event.
- Sponsoring countywide awards and/or trips.
- Buying fair passes for all members.
- Contributing to a Jr. Fair or 4-H improvement project.
- Purchasing supplies for club booth and barn decorations and signage for all members.

This is not a complete list, but an example of the most common acceptable ways 4-H club/committee funds are used. If you have questions whether an intended purpose is acceptable, please contact house.18@osu.edu or 937-398-7599 or elleman.30@osu.edu or 937-398-7606.

Prohibited Ways to Spend 4-H Club Funds

- Alcohol, tobacco, or fireworks.
- Paying an individual (cash or gift cards) unless it is a receipt of reimbursement for an approved club/committee purchase OR pre advertised with all members eligible for a scholarship or other competition. Qualifications must be in writing and voted on and approved by the club/committee and included in the minutes. This includes giving members cash to spend at the fair. Coupons for a sandwich at the fair booth are acceptable, as long as all club members receive it and it was voted on and approved by club membership and included in club minutes.
- Political campaigns, including county 4-H levies.
- Trips or events that are not educational in nature.

Best Practices for Clark Co. 4-H Club/Committee Fundraising

Obtain Club Fundraising Approval Before Conducting a Fundraiser

- Must complete the current Clark County 4-H Club Fundraiser Request Form at least 30 days prior to your fundraiser for review and approval by the 4-H Educators. Go to <https://go.osu.edu/2026clarkco4hfundraiserrequestform>
- This is required to help us know when a 4-H fundraiser is being done in case we get a call in the Extension Office. As well as to insure that the fundraiser being conducted does not violate a Ohio or National 4-H Fundraising Policy.

What 4-H Fundraisers ARE NOT Permitted?

Games of chance (e.g. raffles, lotteries, BINGO, etc.) are NOT permitted. Refer to OSU Extension Fund Raising: Raffles, Bingo, Games of Chance for more information.

Items may not be sold that have alcoholic beverages in them (e.g. silent auction with wine included). Gift certificates to a winery are permissible because the winery would be responsible for confirming age eligibility of the purchaser. However, even that should be avoided if the 4-H fundraiser has youth participants actively engaged in the fundraiser.

Kiss the Animal and Petting Zoos. Do to zoonotic diseases, public health issues and liability, 4-H Clubs and Committees should not be conducting or involved in these fundraisers or events even if done by another organization.

What 4-H Fundraisers ARE Permitted with Special Criteria?

Food related fundraisers are permitted, but REQUIRE that food safety requirements are met. Examples (food concessions, pancake breakfast, etc.) These include at least one adult having a current Occasional Quantity Cook Certification, obtaining local health department food vendor's license, permits, necessary labeling of product and any other necessary requirements. Please contact the Clark County Combined Health at 937-390-5600.

To complete the on-Line Occasional Quantity Cook Certification, contact Linda Newman newman.221@osu.edu for the code. This certification is good for 3 years.

The 4-H Ice Cream stand during the Clark County Fair is an example. Annually, 4-H Clubs have the opportunity to support this countywide fundraiser by signing up to work one or more shifts to dip and serve ice cream. To sign up for a shift, complete the 2026 Clark Co. 4-H Club Ice Cream Dipping Sign-Up Request at <https://go.osu.edu/2026clarkco4hclubicecreamdippingsignup>

Best Practices for Clark Co. 4-H Club/Committee Fundraising

Fundraisers Your 4-H Club May Want to Consider

-  Sell water, soda, other drinks at a community event. Will need to obtain permission from the event sponsor.
-  Selling pizza kits, frozen food, candy bars, beef sticks, or other pre-packaged or commercial prepared food items. Deal with a reputable business. Do not sell during the Clark County Frozen Food and Candy Bar Fundraising timeframe - March 1-May 20.
-  Silent and/or live auctions - Make sure items in the auction are permitted by law or Ohio 4-H policy. If you have questions, please contact the 4-H Extension Educators, house.18@osu.edu or elleman.30@osu.edu.
-  Event Sponsorship that involves participation fees (e.g. tack sale, sports tournament (kickball, golf, corn hole, etc.), run/walk, carnival, etc. . This type of fundraiser will likely require collaboration with a location host and will require people power to facilitate activities. Liability insurance will be an additional cost to the 4-H club/committee.
-  Work community events/clean up areas (e.g. clean stalls at fairgrounds/Champion Center, parking admittance, chair and table set-up and tear down, grandstands clean up, post festival clean up, etc.
-  Carwash, Garage Sale, Recycling Drive
-  Dine to Donate - Select a local restaurant that offers this opportunity, set and date and promote through your club's social media and encourage members to promote with family and friends to attend.
-  Shop Reward/Rebate Programs - Sign up with local stores that offer these programs. Promote through your club's social media and encourage members to promote with family and friends to use to raise dollars for your 4-H club/committee.

What 4-H Fundraiser Has Your 4-H Club/Committee Done or Do You Plan to Do?

Best Practices for Clark Co. 4-H Club/Committee Fundraising

Alternative Fund Generation in Lieu of Fundraising

- **Charge dues and/or activity fees**, but need to list the exact amount in your 4-H club by-laws and include how dues/fees will benefit the membership. Example: \$5 per member to be used for meeting refreshments, supplies for educational activities at meetings, etc.
- **Seek Sponsorship or Donations From Businesses**. Some businesses may want proof of tax exempt status including an official tax exempt letter. These letters must be obtained from Ohio 4-H by the 4-H Extension Educators. If you find that you need one of these letters, please e-mail house.18@osu.edu or elleman.30@osu.edu, with the name of the business and address and your request from this business (monetary donation or goods and services). **Make sure that you send a thank you to any individual or business to donates to the 4-H club/committee.** This should be done within business days of receiving the donation.

Why Are We Fundraising When We Have a Large Carryover?

4-H Clubs and committees should limit carryover dollars. The money raised by a membership should be used for the goals of that membership. The exception would be if funds are targeted for a specific trip, project, program, etc. 4-H Clubs/Committees should not continue to fundraise without a plan to spend down carryover for the intentions that it was raised over. This should be outlined in the club/committees yearly budget, reviewed, discussed and approved by the membership and recorded in the minutes.

Concerns About 4-H Club/Committee Fundraising/Finances

Any individual or group with concern about the way a 4-H club/committee is raising and/or spending its funds, should contact Patty House or Jeremy Elleman, 4-H Extension Educators either in person, by phone or in writing. The 4-H Educators will work with the club/committee leadership to address the concern and take appropriate action(s), if the 4-H club/committee is not following 4-H policies and procedures regarding the raising and spending of dollars raised or obtained in the name of 4-H.

Best Practices for Handling Clark County 4-H Club & Committee Finances

- **Be transparent regarding your 4-H Club or Committee finances.** Everyone needs to know as much about your club or committee's finances as the treasurer. This requires commitment of multiple 4-H volunteers and officers within your 4-H club or committee.
- **If your 4-H Club or Committee collects or spends money for any reason, they need to open a checking account with a FDIC approved institution.** Clubs may not have a savings accounts. Committees may have a savings account in addition to a checking account
 - A. **Open the checking account in the 4-H Club or Committee's name,** not an individual name.
 - B. **DO NOT** use a personal social security number to open the bank account.
 - C. **You must obtain an EIN (employer identification number) by completing the SS-4 Form.** Apply using a unique name for your 4-H Club or Committee (example Clever Clovers of Clark County).
- **Two signatures are required!** There should be at least two authorized signers on your 4-H Club's or Committee's bank account. These individuals **SHOULD NOT** be related. The membership should elect or appoint the authorized signers.

Example: 4-H Club or Committee treasurer, assistant treasurer, another club or committee officer, 4-H approved volunteer(s) with the club or committee.

Important Note: For 4-H clubs: There must be at least one 4-H official volunteer authorized signer in addition to the club's treasurer. If the bank will not allow a minor on the account, then there should be two official 4-H volunteers.

- **Check's written by your club's or committee's treasurer should be signed by two authorized signers that are unrelated.** Checks should never be pre-signed. Checks written to reimburse one of the authorized signers, should not be signed by that person.
- **Send bank statements to a non-check signer to review and reconcile the bank account.** This person is responsible to meet with the treasurer to review checkbook ledger, financial records and balance/reconcile the bank account. After review, give bank statement to the treasurer to include with financial records.
- **Debit/credit card are not the preferred method for payments,** but are permitted, as long as expenses are pre-approved, itemized receipts provided, and data is properly recorded in ledger.
- **Do Not Obtain a Club/Committee Venmo, PayPal or other similar account.** These are not approved by OSU Legal for use by 4-H clubs/committees.

- C. **Use the Clark County 4-H Club or Committee Request for Reimbursement Form to track reimbursement payments to Club and Committee membership and others making purchases on the 4-H Club or Committee's behalf.** The individual requesting reimbursement should complete the reimbursement form and attach the original receipt(s) for reimbursement. Write the check number on the reimbursement form and file with the financial records.
- D. **Never Reimburse Anyone or pay any bill in cash!** You need a paper trail and cash does not provide a paper trail.

- G. **Write on the memo line of ALL CHECKS the purpose of the expenditure.** (example: cash - change for club bake sale, awards for dog show, etc.)
- H. **Record all EXPENDITURES on your 4-H Club or Committee's Financial Record and checkbook register in a timely manner.** Your financial record can be a hard copy ledger, a computer program and/or you can use the Financial Record Ledger provided in your Clark County 4-H Club & Committee Financial Binder & available on-line at clark.osu.edu.

Best Practices for Handling Clark County 4-H Club & Committee Finances

- C. **Deposit Income (cash and checks) within 3 to 5 days!**
- D. **Use the 4-H Project Book Order Tracking Form to track money received for 4-H project books and distribution of those books to club members.** This will help with completing the Publication Order Form and avoiding misunderstandings with members and parents/legal guardians.
- E. **Use the 4-H Club Dues and County Activity Fee Tracking Form to track money received from members/cloverbuds and parents for these fees.** Use to help you complete the Clark County Activity Fee Form for your club and pay the Clark County 4-H Advisory Committee by the established annual deadline for county activity fees.
If payment is received late, a \$10 per member and cloverbud fee will be charged.
- F. **Record all INCOME on your 4-H Club or Committee's Financial Record and checkbook register in a timely manner.** Your financial record can be a hard copy ledger, a computer program and/or you can use the Financial Record Ledger provided in your Clark County 4-H Club and Committee Financial Binder & available on-line at clark.osu.edu.
- G. **Complete the Clark County Club Fundraising Request Form at least 30 days prior to any 4-H Club Fundraiser.** Submit to the Clark County Extension Office 4-H Extension Educators for review and approval. Best Practices for Handling Clark County 4-H Club & Committee Finances

 - A. **The 4-H Club or Committee Treasurer needs to give a WRITTEN treasurer's report at every meeting!** Use the 4-H Club or Committee Treasurer's Report Form or create your own.
 - B. **Provide COPIES of the Treasurer's Report to the 4-H club or committee membership!** File a copy with the 4-H club or committee's secretary for audit purposes. Keep a copy with the 4-H club or committee's financial records.
 - C. **Keep Original Bank Statements in the 4-H Club's or Committee's Financial Binder and bring to every 4-H Club or Committee meeting.** Make bank statements available for the 4-H club and committee membership to review. If your club or committee uses on-line banking, statements and images of cancelled checks must be printed every month and brought to the meetings.
 - D. **Record All Transactions in the Checkbook Register and the 4-H Club or Committee's Financial Transactions Record/Ledger.** This on-going financial record of both income and expenses can be kept as a hardcopy or electronically using a computer program. Regardless of the method used, transactions should be recorded in a timely manner and kept up-to-date.
- E. **Keep hardcopies of all bank statements and financial records for 7 Years!**
