2026 Food Safety Training & Certification

Courses for Owners, Managers & Employees

THE OHIO STATE UNIVERSITY
EXTENSION

What is ServSafe™ Manager Food Safety Training?

ServSafe™Manager has become the industry standard in food safety training and is accepted in almost all United States jurisdictions that require employee certification.

The 16-hour ServSafe™ Manager program provides accurate, up-to-date information for all levels of employees on all aspects of handling food, from receiving and storing to preparing and serving.

This course empowers you to protect against food borne illness outbreaks, minimize liability risks and improve food quality.

Upon successful completion of the course and exam, participants receive a Certificate from the National Restaurant Association and Certification in Food Protection from the Ohio Department of Health.
